

The Syrian Legislations on PGR

The participants of the Consultation Meeting of the Plant Genetic Resources (PGR) Network held in Aleppo, Syria on 4th of November 2010 discussed and recommended to facilitate the exchange of national PGR legislations among different member countries.

In this context, Dr. Yousif Wajhani from Syria boosts the recommendation of the PGR Network and submitted a copy of the Syrian legislation on PGR that issued under law number 20 for 2009.

Dr. El Tahir Ibrahim, PGR Network Coordinator wishes to receive copies of other national PGR legislations from respective countries that have such kind of legislations.
